

Lars Nesheim
Curriculum Vitae
September, 2004

Personal Information

Address: Department of Economics
University College London
Gower Street
London, WC1E 6BT
United Kingdom
Telephone: 44-(0)20-7679-5826
Fax: 44-(0)20-7916 2775
E-mail: l.nesheim@ucl.ac.uk
Birth date: August 8, 1971
Citizenship: USA

Current Positions

Lecturer, Department of Economics, University College London, September 2003 — present.

Senior Research Economist, Centre for Microdata Methods and Practice (CEMMAP), Institute for Fiscal Studies, October 2001 — present.

Research Associate, Population Research Center, National Opinion Research Center, Chicago, Illinois, 7/01/02 — present.

Education

August 2001	Ph.D. Economics	The University of Chicago
May 1993	B.A. Economics, <i>magna cum laude</i>	Columbia University

Doctoral Thesis: *Equilibrium Distributions of Heterogeneous Consumers Across Locations: Theory and Empirical Implications*

Graduate Advisors: James J. Heckman, Pierre-André Chiappori, Kenneth Judd

Professional Experience

Visiting Scholar, Department of Economics, University College London, 10/01 – 8/03
Research Assistant, The Hoover Institution, Stanford University, 01/00 – 09/01
Lecturer, Department of Economics, The University of Chicago, 1995-1998

Publications and Working Papers

- Ekeland, Ivar, Heckman, James, and Nesheim, Lars (2002), "Identifying Hedonic Models," *American Economic Review*, 92(2):304-309.
- Ekeland, Ivar, Heckman, James, and Nesheim, Lars (2004), "Identification and Estimation of Hedonic Models," *The Journal of Political Economy*, 112(S1): S60-S109.
- Heckman, James, Matzkin, Rosa, and Nesheim, Lars (2004), "Simulation and Estimation of Hedonic Models," forthcoming in *Frontiers of Applied General Equilibrium Modeling: Essays in Honour of Herbert Scarf*.
- Heckman, James, Matzkin, Rosa, and Nesheim, Lars (2004), "Nonparametric Estimation of Nonadditive Hedonic Models," manuscript.
- Nesheim, Lars, (2002), "Equilibrium Distributions of Heterogeneous Consumers Across Locations: Theory and Empirical Implications," CEMMAP working paper CWP08/02.
- Nesheim, Lars, (2004a), "Peer Effects and Sorting in Schools," manuscript.
- Nesheim, Lars, (2004b), "Semiparametric Estimation of a Structural Model of Peer Effects and Sorting in Schools," manuscript.

Referee Experience

American Economic Review, Econometric Theory, Econometrica, Economic Journal, Journal of Econometrics, Environmental and Resource Economics, Journal of Political Economy, Review of Economic Studies, Oxford Economic Papers

Invited Conference Presentations

- "Search and Assignment Models," Tinbergen Institute, Amsterdam, The Netherlands, December 14-15, 2000.
- "Annual Meeting of the American Economic Association," Atlanta, Georgia, January 3-5, 2002.
- "Frontiers in Applied General Equilibrium Modeling," Yale University, April 5-6, 2002.
- "Characteristics Models in Economics," Centre for Applied Microeconometrics and Cemmap, Copenhagen, Denmark, June 11-13, 2002.
- "Workshop on Mathematical Economics," Instituto Nacional de Matemática Pura e Aplicada (IMPA), Sao Paulo, Brazil, July 22-24, 2002.
- "Empirical Economic Models of Pricing Valuation and Resource Allocation," Economic Research Center, The University of Chicago, October 4-6, 2002.
- "Public Economics Working Group," University of Bristol, December 2-3, 2002.

- “International Conference of Public Economic Theory,” Duke University, June 12-15, 2003.
- “Mathematical Structures in Economic Theory and Econometrics,” Banff International Research Station for Mathematical Innovation, May 1-6, 2004.
- “Quality and Efficiency in Education and Training,” European Commission Workshop, May 27, 2004.
- “North American Summer Meeting of the Econometric Society,” Brown University, June 17-20, 2004.
- “European Summer Meeting of the Econometric Society,” Universidad Carlos III de Madrid, August 20-24, 2004.

Seminars

University of Wisconsin, University of Chicago, Stanford University, Warwick University, North Carolina State University, University of Rochester, University College London, London School of Economics, Royal Holloway College.

Teaching Experience

Undergraduate courses: microeconomics (3 years), urban economics (3 years)
Graduate courses: econometrics (2 years)

Honors, Awards, Fellowships

University of Chicago University Fellowship, 1995-2000
National Science Foundation Graduate Fellowship, Honorable Mention, 1993
Phi Beta Kappa, 1993

Current Research

- “Formulation, Estimation, and Identification of Hedonic Pricing Models” (US NSF research grant awarded August 2003 with James Heckman, Rosa Matzkin, L. Ridgway Scott, and Todd Dupont)
- “Hedonic Models of Location Decisions with Applications to Geospatial Microdata” (US NSF research grant awarded August 2004 with Rosa matzkin, James Heckman, Gale Boyd, Luc Anselin)
- “Effects of School Quality on Educational Outcomes in the NELS.”
- “Effects of School Quality on Educational Outcomes in the UK.”
- “Life-cycle Savings and Labour Supply with Non-convex Budget Constraints: A Theoretical and Empirical Analysis,” (UK Economic and Social Research Council research grant awarded starting October 2003 with Orazio Attanasio and Hamish Low)
- “Demand Estimation with Durable Housing,” (with Hide Ichimura and Laura Blow)
- “Hedonic Models of Coalition Production Economies,” (with Myrna Wooders)
- “Efficient Algorithms for High Dimensional Numerical Integration in Econometrics,” (with Ken Judd)
